Good Manners (Adhab)

"Reverence towards the Sanctity of the Muslims"

The Prophet ﷺ said, "*No one of you shall become a true believer until he desires for his brother what he desires for himself*"

[Bukhari & Muslim]
(Riyad us Saliheen # 236)

We learn from this hadith the Prophet teaches us, that if we want to be true believers, then we should want nice things for our friends and fellow Muslims just as we would like nice things too. We should not want everything good for ourselves and for others not not have nice things also.

Write 3 things you would like to have and that you would like your brothers and sisters in Islam to have too.

Why not make a dua'a, to ask Allah to give your brothers and sisters in Islam something which you would also like for yourself.
