Good Manners (Adhab)

To say nice things!

Jazak Allah khayr!

Would you like to share my toys?

Would you like me to help you, I would love to help inshallah!

Could I play with you please?

You are very special to me!

Barak Allahu Feek!

The Prophet ﷺ said: "*It is also charity to utter a good word*"

[al-Bukhari and Muslim]
(Riyad us Saliheen #694)

We learn from this short hadith, that in Islam, it is not only giving money which is counted as charity! The Prophet Muhammad teaches us that when we talk to people in a nice way, with kind and polite words, that also is regarded as charity!
It is so easy to say nice things Alhamdulillah!

Think of some nice words that we can say every day inshallah, and write them in the bubbles below!
